spreading the word about the Southeast's best kept secret.

## *GPRA Update 3/11/2018 - Gentle Giants/Raffle*

Dear Great Pyrenees Friends,

Just two weeks until Gentle Giants in the Park and the drawing of our \$10,000 raffle. Please register for the event and send in your stubs and check. Your stubs and checks can also be turned in at the event. Click [HERE](#) to RSVP.

We have already rescued 64 Giants this year and our group has performed miraculously in accomplishing this feat. This Wednesday we will bring in Frank. Frank was found walking down the middle of a highway in Gainesville, Ga., is around 2 years old and is gentle as can be according to his temporary foster. He also perimeters the foster's fenced yard and stops at each corner to bark and let all know he is on patrol doing his job. It turns out, after researching his chip, Frank has been on his own for quite a while, living off occasional feedings by locals. Frank's owners were murder/suicide victims and he adopted the neighborhood. GPRA is going to take great care of Frank and will find him the best forever home ever!!!

Can't wait to see EVERYBODY in two weeks.

Thank you,  
John
